THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a store-house of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regu-larly and read your Bible daily.

Does the "horn of plenty" make us thankful? We do not become thankful by our abundance. The spoiled child lav-

ished with gifts is not thankful. It is not the horn of plenty, but the bigness of our heart that makes us thankful. The blessings God gives are infinite, but we must have the capacity to receive. Like a child who carries a bucket of water from the sea, we can only carry as many blessings as our heart will hold.

The capacity to receive comes through worship and prayer. We go into the presence of God and think deeply about our life. Understanding is awakened. With new eyes, we see our blessings and are grateful. We kneel poor,

Thanksgiving Day brings us a special opportunity for worship and prayer. Isn't this why we want to be in Church with our family? Here we
